ROYALTY FOR the Porterville Junior rodeo, Sunday, will be Brenda Morris, center, who was announced as queen of the rodeo during a coronation ball at the American Legion hall Saturday night; Teresa Behunin, left, was named first attend-

ant; and Darnell Grant, right, second attendant. Selection was made on a basis of sale of tickets, personality and horsemanship. Special recognition went to Andrea Natzke, lower left, for personality; and to Carol Synder, lower right, for sportsmanship. Trophies and plaques were presented to contestants by last year's junior rodeo queen, Debra Hill; Queen Brenda was crowned by Bill Rodgers, master of ceremonies for the coronation; in charge of the contest was Naomi O'Dell. MOSQUITO DISTRICT PLANNED

LINDSAY — Mosquito Abatement Investigating committee in Lindsay is apparently ready to move forward on formation of a Mosquito Abatement district that would include not only the general Lindsay area, but Porterville, Strathmore, Springville, Poplar, Cotton Center, Terra Bella and Ducor as well.

Indications now are that district formation will be sought through petitioning the Tulare county board of supervisors, rather than by asking for a vote of the people involved.

If 10 per cent of the registered voters within the proposed district indicate by petition that they desire formation of the district, supervisors, under state law, have the authority to establish the district.

As presently proposed, the district would cover some 396 square miles and would have an assessed valuation of \$97,000,000. Directors of the district would have the power to tax up to 15 cents, and with approval of the board of supervisors, on up to 40 cents per \$100 of assessed valuation.

Proponents of the district state that mosquito abatement could be accomplished within the proposed district at an estimated tax of seven to eight

Buzz Stephen Moved To Major League Roster

MIAMI — It looks like Porterville's Buzz Stephen will get his shot at major league baseball next season.

Now playing winter league ball in Florida, Stephen was this week moved up to the 40-man roster of the Minnesota Twins, and will go into spring training with an excellent chance of "making the grade."

Stephen is a fire-balling pitcher who started in the Porterville Little League, played at Porterville high school and college, really hit his stride at Fresno state, and was

CATTLEMEN BANQUET OCTOBER 28

TERRA BELLA — Annual fall banquet and social evening of the Tulare County Cattlemen's association will be held in the Terra Bella Memorial building Saturday, October 28, with Kenneth Rutherford, association president, stating that a social hour will start at 6 p.m. and dinner will be served at 7 p.m.

Representatives of the California Cattlemen's association are expected to attend the banquet; young cattle producers of the county will be honored by presentation of photographs to exhibitors of the grand champion steers at the 1967 Tulare County fair, the Porterville fair, and the Tulare County 4-H fair.

A dance will follow the banquet; dinner charge will be \$3.00.

40th YEAR HOMECOMING AT COLLEGE

PORTERVILLE — Commemorating 40 years of education service to the community, Porterville college will be the scene of the second annual Homecoming celebration, Saturday, October 21.

Students at the college are using "Pirate Progress" as theme for the Homecoming, which will open at 10 a.m. Saturday with a parade through the downtown Porterville business area. Floats and decorated cars will be entered by student organizations on the campus.

Two bands will participate in the parade, the Porterville High School Panther band, and the Strathmore High School Spartan band.

Big event of the evening will be a league football game in Jamison stadium, with Coach Sim Inness sending his Pirate squad against a strong team from Antelope Valley.

Youngsters Will Compete In Junior Rodeo

PORTERVILLE — Youngsters of the community will get their shot at rodeo competition when the Orange Belt Saddle club stages its Annual Junior Rodeo next Sunday at the Rocky Hill arena, starting at 11 a.m.

Competitors will be classed in two age groups — 6 to 12 years and 13 to 16 years. Events will include: Barrel racing, both age groups; calf riding, 6-12 year group; steer riding, 13-16 year group; pole bending, both age groups; ribbon roping, open; team roping, open; and hide race, open.

Special events include a watch scramble for the 13-16 year group, with a certificate for a Timex watch to be tied to the horn of a steer. Signed competitors, or youngsters from out of the stands can compete; the boy or girl who gets the certificate off the steer gets the watch.

For the 6-13 age group, a goat scramble will pit six goats against who knows how many youngsters. Each goat will have a certificate worth from \$1.00 to \$5.00 around its neck; whoever gets the certificate off

VOTE SET ON CITRUS PEST CONTROL

PORTERVILLE — Growers within the Southern Tulare County Citrus Pest Control district will be given an opportunity to vote on whether or not they want their district to remain in the Central California Citrus Pest Control agency.

At a meeting held in Terra Bella last Thursday night, decision was made to poll all growers within the district by card. Mailed with the card ballot will be a prepared statement favoring continuation of affiliation with the Central agency, and opposing continued affiliation.

Directors of the Southern County district state that their future action will be guided by the vote of growers — if 51 percent or more want to pull out of the Agency, then this action will be taken; if a majority want to stay in, then the Agency arrangement will be continued.

The Central California Citrus Pest Control agency is composed of five "local" districts in Kern, Tulare and Fresno counties; major job of the agency now is to locate and control citrus red scale within the

PATRIOTIC SPECTACULAR ADDED TO CELEBRATION

PORTERVILLE — A patriotic spectacular has been added to the Veterans' Day and Homecoming Celebration in Porterville — a production by Buck Shaffer that will be presented in Jamison stadium the evening of November 10 between halves of the Porterville High school — Mount Whitney High school football game.

In keeping with the celebration theme, "America, Our Country," Shaffer will use his Panther band, high school and college singing groups, and dancers to depict the American way of

life, temporarily infiltrated by tyranny, but brought back by the Spirit of 1776.

With Homecoming committee meeting weekly, the 49th annual Veterans' day celebration that started after World War I as "Armistice Day," is shaping up as probably the best in recent years.

A record number of entries is anticipated for the morning parade through the downtown Porterville business district — a parade that will be enlivened by the full contingent of Tehran

CANDIDATES FOR Queen of the Porterville College Homecoming, Saturday, from left: Chris Hansen, freshman class; Carol Lombardi, Alpha Rho; Barbara Groshong, sophomore class; Juliene Conklin, science club; Pam Bryson, pep

squad; and Kathy Souza, student council. The Homecoming queen will be announced Saturday night during halftime ceremonies at the Porterville College — Antelope Valley football game in Jamison stadium.

ONE WILL be Queen of the November 11, Veterans' Day Homecoming celebration in Porterville — from left: Deborah Ann Chapman, Andrea Louis Brown, Anna Lewis, Rhonda Hisaw, and Kathleen Souza. These five finalists were selected Tuesday night from among nine contestants; the Queen and her attendants will

be named next Tuesday night during a public program starting at 8 p.m. in the Memorial building, with Buck Shaffer's Panther band and Dean Semple's vocal groups providing musical entertainment. Bill Rodgers will act as master of ceremonies; Mayor Marty Martin will crown the queen.

Temple Shriners from Fresno, and by a fly-over of Navy jets from Lemoore.

Porterville College meets Merced college in Jamison stadium as the afternoon football feature; dances will conclude the

celebration during the evening.

Annual Pioneer Reunion will again be sponsored by the Tule Vista Parlor Native Daughters of the Golden West at the Porterville High School cafeteria. Lunch will be served, followed by a tea, later

in the afternoon.

Tieing in the Homecoming celebration will be a reunion of the Porterville High School class of 1917 - and possibly a 1912-13 group of students from the old Vine street elementary school.

Queen of the Homecom-

ing celebration will be announced and crowned next Tuesday evening during a program at the Porterville Memorial building, starting at 8 p.m.

Memorial service for men and women who have given their lives in the service of their country

will be held November 5, 8 p.m., in the Memorial building.

An all-time record 27,000 acres was planted to trees in the 17 National forests in California during the spring of 1967.

"Name just one thing that doesn't cost more today."

How about electricity. Maybe you don't realize it, but you're paying less per kilowatt-hour for electricity now than you did five years ago.

The average cost of a kilowatt-hour of electricity to Edison customers for residential use has gone down 17% in the last five years. That's because of the increased use you make of electricity. It's like a quantity discount.

And your price of electricity has gone down despite the fact that our costs for labor, materials and taxes have gone up.

Of course, you're using electricity for so many more things these days that your bill may seem to be a bit higher. But any way you look at it, electricity is a terrific bargain. Not only because it's inexpensive, but because it lets you do and enjoy so many things.

If you're an average consumer, you use our product in about forty different ways in your home. And that's not counting special uses like a home workshop or a ham radio or a slot car racing track.

Where else can you get such a good buy without even having to shop around for it?

BURTON 4-H INITIATES NEW MEMBERS

BURTON - Initiation of new members was featured at the October meeting of the Burton 4-H club, held at the Burton school. Top ticket salesmen for the 4-H breakfast and County Fair exhibitors were also honored.

Club President Gary Weisenberger led his officers in a program explaining their duties and the meaning of 4-H club membership to the new members who were initiated. The seven new members are: John Braly, Timmy Martinez, Anne LaPresta, Dana Pierce, Charles Ream, Robin Taylor and Joyce Wells.

Neal Weisenberger, and Terry Roberson were awarded first and second respectively for their outstanding salesmanship in selling 4-H breakfast tickets during the period before the 4-H breakfast. Neal received \$10 dollars sold 114 tickets; Terry received \$5.00 sold 100 tickets.

Even though we should know better it is a rude awakening to find so many recent singing groups have been manufactured rather than having evolved in some dusty bar. It causes us to wonder if maybe the nurserymen or florists might similarly be responsible for the colorful "flower children" of current fame. The advertising value of all this flower bit must be tremendous yet hasn't cost the industry a cent.

Of course the raising of flowers, tilling the soil, and even the olive branch have long been related to peaceful pursuits. It therefore is only right that flowers should be symbolic of these peoples desire for love, peace, and the uncluttered life. However the modern and enlightened gardener will realize that somewhere propaganda has crept into all this. Especially as he backs into a yucca plant or receives an elbow full of rose bush. There are other moments when the cutworms during the night devour the plants he set out during the day, or when sudden death befalls the rhododendrons, that the serious gardener will have his doubts about peaceful coexistence in the flower kingdom.

Anyway our flower patch remains on "E" Street North of Olive and you're welcome to browse around and think peaceful thoughts. Just look out for the yucca trees and the rose bushes and maybe some of the prices.

Mark Crane reported on the Burton 4-H window display. Janis Boradori announced plans for the members who would be attending services at the First Christian church. Marilyn Lombardi was in charge of arrangements for St. Anne's. Reports were given by County Fair exhibitors in home economics, entomology, beef, dairy, sheep and swine.

The committee for the hayride announced plans to meet at Andrea Mock's to complete plans for junior and senior parties. Dawn Tumbleson was named chairman of the Veterans Day float committee.

The pledge of allegiance was led by Debra Churchill, and the meeting ended with the 4-H pledge, which was led by Jeannine Cox.

Summer Classes Show Increase

PORTERVILLE - Average daily attendance at Porterville college summer session showed an increase of nearly 36 per cent, according to a report by Lee Clearman, dean of instruction and director of the summer session.

A survey of students indicated that nearly 95 per cent favor the continuance of summer session classes during the late afternoon and evening hours. Most students thought the level of instruction was about what they expected, some thought it was "too hard," and none thought it was "too easy."

Buck Bennett, Mike Mackey Named Award Winners In State 4-H Program

VISALIA - Two Tulare county 4-H boys, Buck Bennett, of Porterville and Mike Mackey, of Visalia, have been named state award winners in annual awards program sponsored by the Agricultural Extension service and the National 4-H Service committee.

They were among 42 winners from among 629 entrants in California. They will both receive expense-paid trips to the National 4-H Congress in Chicago, November 26-30, Bennett being sponsored by E. I. DuPont de Nemours and Company Inc.; Mackey by the Sears-Roebuck Foundation.

Bennett won his award for his beef project; Mackey for his project in community beautification.

Bennett is the 1967 4-H state winner in the beef program. Since he joined the Vandalia club nine years ago, the 19-year-old son of Mr. and Mrs. Bob Bennett, of Porterville, has developed a breeding herd of 31 cows and three bulls, and has a commercial steer fattening project that has comprised 81 head.

Now a freshman at Long Beach City College, he intends to become a veterinarian.

He is the immediate past president of the California Junior Hereford association; in his club, he held a number of offices, including the presidency, and was a junior leader and County All-Star in 1966.

He has participated in numerous livestock judging events and given demonstrations in the grooming, showing and feeding of beef.

He also had a swine project for seven years.

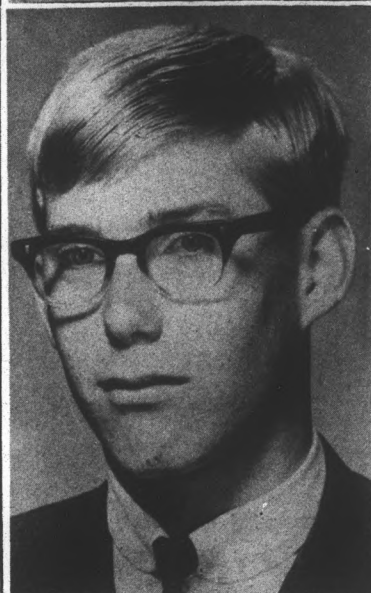

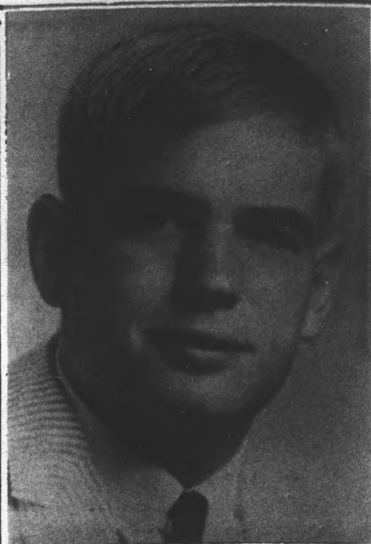

At Porterville Union High school, he was senior class president, and active in football, wrestling and swimming. In the community, he has assisted with cancer and heart fund drives, has helped the Tulare county disaster crew and is a volunteer fireman.

Mackey a 1967 4-H All Star in Tulare county, is the 17-year-old son of Mr. and Mrs. Marvin Mackey of Visalia.

He grows oak tree seedlings for the Visalia park department, has planted a vacant city lot with flowers and shrubs, and has promoted a community beautification booth urging "Keep America Beautiful." He has also landscaped the new home he helped build for his grandfather and has drawn plans for landscaping his family's new home.

A 4-H club member for seven years, he has spent seven years on home grounds projects, two years each on forestry and gardening projects, and has worked with foresters in developing springs and fire prevention signs. He has participated in judgments and demonstrations, served in a number of offices and given 13 talks before PTAs and Granges.

A senior at Redwood High school, he is president of the Junior Educators club and co-chairman of the prom committee. He is also a junior Boy Scout master and a substitute teacher at Sunday school.

STATE AWARDS in their project work have been announced for two Tulare county boys - Buck Bennett, of Porterville, top, and Mike Mackey, of Visalia. They were among 42 award winners in California, selected from among 629 entrants, in the annual awards program sponsored by the Agricultural Extension service and the National 4-H Service committee. Both will receive expense-paid trips to the National 4-H Congress in Chicago, November 26-30. Bennett's project was beef, he was the 1967 4-H state winner in this program. Mackey's project was community beautification; he was the 1967 state winner in this category, and was also a Tulare County 4-H All Star.

OUR TOWN

By Ruth Loyd

"Prominent members of the community as guests of Pan Am!" Did you see those pictures in last week's paper? Obviously, the wheels don't think there are any "prominent" women in OUR TOWN. I can think of lots of "prominent" citizens of the fair sex who would have enhanced that little jaunt. "Public Relations flight" that's what they called it. Public relations with whom? The stewardesses? Four pictures of stewardesses bringing in the food. If you had had a few women in that group they would have been interested in things other than the food and stewardesses. That picture of Marty peering around the corner of his seat was a jewel. I do hope Marty puts that in his scrap book. Of course my favorite editor went along to take pictures. He puts that camera around his neck and looks important. All right Jim Hanson, you are off my list, you and Pan Am. Don't women ride those planes too? We wouldn't have bothered you on your little trip. We know

"boys will be boys." Or were you afraid we would drink all the champagne? Fat chance.

Dick Rush flew into L.A. and picked up a ticket for Visalia. He had to be there for a meeting. The plane got to Bakersfield and informed Dick that the plane didn't stop at Visalia. (Not Pan Am.) Dick refused to get off so they picked him up and set him down outside. He can be obstinate when he wants to be, and his ticket said Visalia. He finally got home, and wrote a few letters. Next time he came in from New York his flight was late. To Visalia again. The pilot radioed ahead and held the Visalia plane until Dick arrived. Three hours later the Visalia plane was airborne. They don't push ole Dick around. I'll bet if Dick got a chance to take some "prominent" citizens on a "public relations flight" he would have included some women. He's not afraid of women. He likes them.

Happiness is women taking any plane but a Pan Am.

Volume supplies of early fall peas will move from Tulare and Kern counties during October and November.

Suggestions To Keep Labor Board Out Of Politics

WASHINGTON, D.C.—Two suggested measures to take the National Labor Relations board "out of the political arena" are described by a spokesman for the Chamber of Commerce of the United States on the Mutual Broadcasting system program, "What's the Issue?"

Vincent J. Apruzzese of Newark, N.J., a member of the chamber's blue ribbon committee of lawyers for labor law reform; said the NLRB could be removed from politics by: Establishment of a labor court with judges who are specialists in labor law, serving lifetime appointments, and by removal of the jurisdiction of all matters except union representation from the NLRB and giving the authority to federal district courts.

State cotton crop is forecast at 1,175,000 bales, four per cent below last year and 33 per cent below the 1961-65 average.

WHO ARE they? Well, to the best of our knowledge and belief they are members of the Porterville junior chamber of commerce who held their annual Cave man dinner sometime in the recent past some

place in the community for some reason or other. From usually reliable sources we learned that a good time was had by all.

Public hearings will eventually be held before the board of supervisors if sufficient petition signatures are obtained. The investigating committee states that formation of a new district is preferable, from a cost standpoint, to annexation to either of the adjacent districts - the Tulare Mosquito Abatement district and the Delta district.

The city of Porterville would have to approve inclusion in the district through council action, if the city is brought in. No official statement has been made as yet by the council.

The Porterville chamber of commerce is on record as neither opposing or favoring formation of the district, but is strongly on record with a statement that a formation election should be held rather than to form the district by petition, since a new tax-leaving agency would be created.

The Farm Tribune stated editorially some time ago that the people should have a chance to vote on district formation.

which the Southern Tulare County Citrus Pest Control district is one.

Considerable dissatisfaction has been expressed by growers within the southern Tulare county district concerning operation of the Central agency. Operational funds come from citrus growers, not general taxes.

At a meeting of growers in Terra Bella about a month ago, a substantial majority of those present favored pulling out of the Central agency, a move that would probably result in discontinuation of the agency.

Growers in northern Tulare county and Fresno county appear to be more favorably inclined toward continuation of the Central agency operation.

Boundaries of the Southern Tulare county district

extend through the citrus belt from the Kern county line to Welcome road.

Vote that will be taken by card involves only whether or not to remain within the Central agency. It does not involve dissolving the Southern Tulare County Citrus Pest Control district.

Under provisions of the Central agency organization, intention to withdraw from the agency must be filed by a local district during the period of December 1-15.

the goat earns the money. A barnyard scramble is planned for the 3-6 year age group, with pigs, chickens, ducks, and turkeys turned loose for the competitors to catch and take home.

General chairman of the Junior rodeo is Ray Taylor; on his committee are Richard and Naomi Odell, queen contest; Emma Taylor and Bobbie Morrison, program; Tamzie Brown, treasurer; Mrs. Judy Koop, secretary; Tom Morrison, saddle club president; Jay Brooks, club vice president; and L. R. Cantrell and Otis Brown, arena directors.

Announcer for the show will be George Hendry. Gate admission will be \$1.00; concession stands will be open on the rodeo grounds.

On Saturday, Open Average roping will get under way at the arena at 1 p.m.

Artichoke supplies are increasing from the central coast area of California.

CAMP VANDALIA FOR HANDICAPPED IS DEDICATED AT STATE HOSPITAL

PORTERVILLE - Dedicated Saturday was Camp Vandalia, a permanent campsite for the "Outdoor Education of the Handicapped," constructed primarily with Federal Title I funds on Porterville State Hospital's 15 acres bordered on the north by Highway 190 and on the east by the county road leading to the Hospital's main entrance.

The quarter - pie - shaped area is completely enclosed with a chain link fence, and will eventually be screened by a border of trees, to be transplanted from the hospital school's tree farm.

The main activity area has been graded and seeded to grass, and features a 30 by 40-foot covered activity slab, facing a semi-circle of eight concrete tent slabs.

Another structure houses toilet and shower facilities, office space and storage.

A built - in barbecue across the east end of the

activity slab has been donated by the hospital's Parents' group.

A short entrance road encircles a tall flag pole donated by the Council of Hospital volunteers, with the flag contributed by the Porterville VFW Auxiliary.

Plans call for handicapped persons in the community making occasional use of the facilities in addition to hospital patients.

The facilities became a reality through a grant application in 1965 prepared by Chet Powers, principal of the hospital's school division.

Dr. James T. Shelton, superintendent and medical director, presided at a ribbon-cutting ceremony at the main gate, and then served as master of ceremonies for the dedicatory program at the activity slab.

Flag raising was conducted by patients in the hospital's Boy Scout Troop #120, led by Lee Conkling, scoutmaster.

Father Joseph Farrington, Catholic chaplain, gave the invocation; Rev. Ragnar Kjeldahl, Protestant Chaplain, gave the benediction; visiting dignitaries closed the program by planting commemorative trees.

Following an outdoor luncheon served by members of the Council of Hospital volunteers, a number of demonstrations of out-

door skills were performed by patients in the Scout Troop, and those who attended summer camp.

A totem pole and Tiki god was donated by members of the Scout Troop #120.

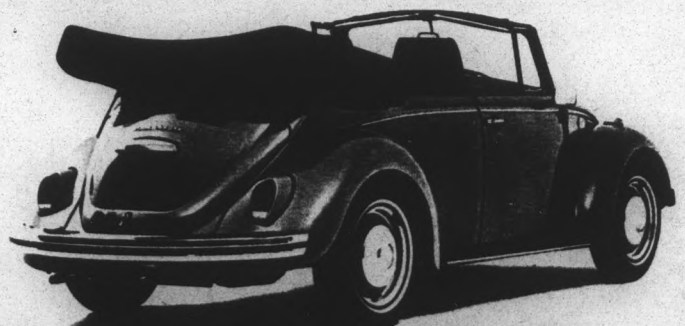

A public tour of the hospital followed the campsite dedication.

Members of the hospital's Parents Group held a shortened regular monthly business meeting at 11 a.m., at Rehabilitation Services building, and then adjourned to the campsite by escorted motorcade. Their evening picnic supper meeting was held at the campsite, which is well lighted for night time use.
